EO/OSI

Nineteenth Annual Symposium -

[REDACTED]

25X1C

Attached is some information on the

information to us today (Tuesday) with his apologies for the delay. As you know the Agency has been invited to participate for a number of years and the Symposium is usually held in December. Unfortunately, the Secretary of the Symposium,

25X1A

[REDACTED] who handled this work for years passed away several months ago. The new Secretary was apparently unaware of the CIA participation and therefore received no invitation until this date.

The attached program is the only copy available and we must circulate it thru ORD and O/Commo particularly. There is a short deadline date of 1 November for getting names -- so would you give us some evidence of your interest as soon as possible.

Please return the Booklet by 26 October.
